In re: Addendum to the Kingfisher County Chip/Seal Bid #2-25-26

To all Bidders,

In the Statement of Work under General, it states "Temperature and weather limitations shall be 60 degrees F and rising and sufficiently dry."

The new amended line is: Temperature and weather limitations shall be 55 degrees F at night and rising and sufficiently dry. No chip/seal shall be done if the temperature falls below 55 degrees at night.

The Commissioners have decided to add miles to this bid; in total it is approximately 9.75 miles in total. A new Proposal / Pay quantities page showing the additional milage is attached. New maps showing these additions are also attached.

These changes to the specifications are approved by the Commissioners of Kingfisher County and will go into effect immediately. Copies of this amended specification will be sent to all vendors on the vendor list identified in the notice to bid and will also be available in the Kingfisher County Clerk's office: 405-375-3887 and the Kingfisher County website, kingfisher.okcounties.org.
