BID 4-24-25 Motorgrader for District #3

Cummins Equipment \$310,000.00

Equipment Share \$255,517.00

Yellowhouse \$398,464.00

I, Commissioner Schwarz did not go with the lowest bid, as the Equipment Share Motor grader was a much lower HP and also did not have the gearing required on the bid specs. Not the mention there is not a local service provider. Therefore I did not consider it a valid bid and chose the lower of the two remaining bids.
